Hi Martin,

Thank you for reaching out and for a great kick-off call to finalize the requirements. We're excited to build a failsafe, high-uptime Make.com automation for your client—and we'll ensure you're fully satisfied every step of the way.

Two-phase engagement (with 1-week pilot trial & 10% first-project discount)

Phase	Scope	Deliverables	Timeline	Investment (USD)
Phase-1: Implementation & Pilot Trial	✅ Requirements & workflow review ✅ Single-sheet Google Sheet (ideas + image URLs + approval flag) ✅ HTTP image-fetch module ✅ Router → parallel flows for LinkedIn, Instagram, Facebook ✅ OpenAI content refinement/generation ✅ Gmail approval-request & record email ✅ Make.com posting modules ✅ Status updates & basic logs ✅ External watchdog alert integration (UptimeRobot/Pingdom)	🔷 **Week 1 Pilot:** Live test of core flows with your sample data 🔷 **Week 2 Full Launch:** Fully tested Make.com scenario 🔷 "How-it-works" documentation 🔷 30-minute handover call	**2 weeks total** 🎯 Pilot trial at end of Week 1 🎯 Full launch in Week 2	~~$2,500~~ **$2,250** (−10% first-project discount: saves $250)
Phase-2: Ongoing Support & Optimization	✅ Monthly health checks ✅ Up to 4 small enhancements per month ✅ Priority troubleshooting (4-hr SLA) ✅ Quarterly performance review & prompt-tuning session	🔷 Maintained & optimized automation 🔷 Prompt-tuning report 🔷 Support logs & change-notes	**Recurring** (monthly)	**$750/month**

Total at kick-off (after discount): $2,250

First month (launch + support): ~~$3,250~~ **$3,000**

Why Schogini Systems?

- **Boutique expertise:** You work directly with Sreeprakash (Founder/MD, NVIDIA-certified LLM specialist) and Abhijith (Senior Tech Developer).
- **End-to-end AI & automation:** From prompt engineering through resilient, self-healing Make scenarios.
- **No-code, low-code & coded solutions:** We meet you wherever you are on the automation spectrum.
- **Transparent pricing:** No hidden fees—just clear, predictable investments.
- **Rapid ROI:** Automating twice-weekly social posts frees you to focus on strategy, engagement, and growing your agency.

///

Next Steps

1. **Sign-off:** Reply "Approved" to this proposal.
2. **Schedule pilot:** We'll run your first live pilot in 1 week, using your Google Sheets and sample images.
3. **Full launch:** By the end of Week 2, you'll be posting automatically—with approvals—on LinkedIn, Facebook & Instagram.

We look forward to partnering with AI Agenten on your first AI-powered automation. Let's get your pilot live next week!

Best regards,
Sreeprakash & Abhijith
